

ARCHITECTURAL HOSPITALITY LANDSCAPE FACADE SMART LIGHTING

Enhancing
visual
experience
by creating
thoughtful
lighting
solutions to
achieve
customer
goals.

Halonix's success lies in its understanding of the harsh Indian climatic conditions and power quality and its unparalleled ability to design, develop and manufacture products accordingly. The company has a state-of-the-art manufacturing facility in Haridwar and has been accredited with ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018 certifications. Halonix Technologies is one of the few companies in India, which has a fully accredited NABL self-certified laboratory and state-of-the-art R&D laboratory within the manufacturing plant that allows its dedicated R&D and design teams to push the envelope and develop cutting-edge products tailor-made for Indian consumers. It also has a pan-India service network for lighting to cater to the need of retail and institutional segments. Its wide distribution network comprising of over 800 dealers & distributors and 20 depots ensures that its products are made available across the length and breadth of a country.

Halonix is amongst India's fastest growing electrical company

that believes in the credo of Make in India
& Made for India.
