## FORRESTA

Modern luxury, reflective of  
your personal style

These outdoor lights allows you to enjoy the view from your back porch all night long, and it can be used to accentuate some of the most important features of your yard.

The range consists of both modern and traditional type of lights. There's no greater place than your own front or backyard to relax, entertain and explore. Whether your ideal evening includes a meal under the stars, a bonfire with friends or a warm welcome, when you reach the front door, a well-lit exterior sets the tone for extraordinary experiences.

## MIDNIGHT WALL LIGHT

The simple construction of the Midnight Wall / Ceiling Light make it an ideal light fixture for any modern space. Mounted to the wall or ceiling by a die-cast aluminium canopy, the shade of this fixture is made from thick acrylic sheet. When illuminated, light from the LED light source is filtered through the shade to create a generous, diffused, ambient glow that lights the surrounding space. The midnight Wall / Ceiling Light can be used in bathrooms, kitchens, hallways, and outdoors.
